4. Coordinator's Report

Debe Campbell

- Summit summary/date for follow up/meeting with P-L City Council Oct 22—Debe requested to appear. Will report back in November.
- DFC Grant report: we were only 7 points away from the funding cut off level of 80 points. We will review areas in which we did not achieve maximum points and perhaps work on them at Coalition retreat.
- 5013c for "Friends of the Coalition" funds: Balance in account on Oct. 11 was \$1,140.85.
- Friends is buying 500 t-shirts at \$5 each to sell at \$10 each. Groups who want to purchase minimum 50 shirts for fund-raising themselves, we will sell to them for \$7.50 and they retail for \$10, earning \$2.50 for their group. Blue Ridge 6th graders and Holbrook schools already have expressed interest in participating.
- Chris Rodencal to follow up on possibility of selling shirts in hospital gift shop on the \$7.50/\$2.50 profit scheme.
- Board of Supervisors Meeting Nov 6: supporters, recovery speakers and steering committee are asked to appear at 11 am, followed by informal lunch. We will officially receive \$5,000 from Supervisors and they will express appreciation.
- Nora requests 2 display boards for jail. Debe & Mary Jeanne will collaborate on these.
- Mary Jeanne recalls we had budgeted to fund 2 additional portable display boards (the big one) for north and south county. We are not to the point that we need these. One would be stored at county. One with Debe. Do we need a 3rd just now? Blue Ridge has requested a permanent display which Debe suggested they fund.
- Kirk suggests fund raising letters to Loews before they open; follow up on 2 previous contacts with Wal-Mart about employee programs (in view that they did UAs and fired half their staff!!!) Also to follow up on initial fund contacts with NavApache, Abitibi, APS, Farmer Johns, Euro Fresh and Forest Energy. Debe to work on this.
- Budget : As of October 11, 2007
